EVENTS ORGANISED

VISIT TO JUVENILE HOME

Dated on 05/12/2022

We were introduced to the children of the Juvenile home; they were all gathered in a single room and the officials allowed us to interact with the children. We had interacted with many juvenile delinquencies of different classes of offences they are booked under. There were delinquencies who were involved in petty offences such as theft, robbery as well as serious offences such as murder and rape. Many of the delinquencies were introduced to criminality due to peer group pressure & influence, lack of social and parental care. There was no segregation of class of offenders as like in correctional facilities which would make it easier for the first time offenders to get involved with hardened delinquents to involve in more criminal acts further.

BEST PRACTICE

The Criminology Department is endeavoring to facilitate students with these best practices which can be just what's needed to keep educators grounded and to make positive impacts on all students.

❖ Make Learning Active

Students are provided with more impactful takeaways from doing rather than simply listening or viewing. Offer opportunities for students to be actively engaged in their learning and experimental journeys.

❖ Encourage Discussions

Through discussions, students are exposed to a variety of opinions and ideas that may or may not be similar to their own. Classrooms offer a perfect forum for teaching students to learn to share information, agree and disagree in a productive fashion.

1. Specially training students for competitive exams
2. Physical training (For the purpose of Uniformed services)
 - a. Rope climbing
 - b. Track & field events
3. Awareness on importance of PG degree
4. Arranging special coaching classes for MA Entrance exams and Technical Test.
5. Field visit
 - a. Police station
 - b. Court
 - c. Central prison
 - d. NGO
6. Outdoor training
 - a. Drill – Command & Control (Saluting without arms & with arms)
 - b. Night trekking
 - c. Rifle shooting
 - d. Swimming
