AWARENESS PROGRAM ON ILL EFFECTS OF ALCOHOL AND DRUGS (Street Theatre)

The Department of Social Work organized an awareness programme on 05th July 2024, at Thirunilai Government High School, Thirunilai. Social work students (first , second and third year UG) performed street theatre to create awareness about Harmful effects of Alcohol and drugs. Three BSW staff members has accompanied the students. The school students got awareness about the ill effects of using alcohol and also provided feedback about the programme. On behalf of Thiruthangal Nadar College, plant saplings were provided to the school. It is a very good opportunity for our students.

NATURE CONSERVATION DAY

The Department of social work organized a tree plantation program on 30.07.24 in the Gnayiru panchayat along with Arogya Bharathi trust for Nature Conservation and Sustainable development to commemorate World Nature Conservation Day. The students of the Department of Social work volunteered in the tree plantation ceremony and helped the community people in planting the sapling. The resource person Mr. Rajadurai, state coordinator of Arokiya Bharathi trust interacted with community members and students and explained the need to preserve nature through planting more trees. Plant saplings were gifted to the community people to conserve nature. It was a great exposure to our students. 29 students participated in the event.
