NPTEL REPORT

The academic year 2025–2026 witnessed significant participation and achievements in the NPTEL examinations from our institution. A total of **109 meritorious students** registered for the examinations, reflecting their keen interest in enhancing their knowledge through national-level online courses. Among them, **76 students** successfully cleared the examinations, of which **36 students** secured **Elite and Elite + Silver** certifications, demonstrating their academic competence and dedication.

In addition, **6 students** who independently enrolled for the examinations also cleared them successfully, further contributing to the institution's accomplishments. Overall, **82 students** from our institution successfully qualified in the NPTEL examinations during this session.

A notable highlight of this achievement was that one student secured the prestigious **All India Topper** position in the subject "Management Information System," bringing pride and recognition to the institution.

Along with the students, **7 faculty members** voluntarily appeared for the NPTEL examinations and earned Elite certifications, showcasing their commitment to continuous learning and professional development.

The growing participation and commendable success of both students and faculty members in NPTEL examinations clearly reflect the institution's strong commitment to academic excellence, knowledge enhancement, and skill development. In recognition of their accomplishments, the management reimbursed the examination fees to the successful students and faculty members as a token of appreciation and encouragement.
