Subject: Kidney Awareness Programme

The Youth Red Cross (YRC) of our college is organizing a Kidney Awareness Programme on 5th August 2025 at 10.30 a.m. in our college auditorium.

This initiative aims to educate students, and staff on kidney health, early detection of kidney-related issues, and preventive care. A team of experienced medical professionals from Tamil Nadu Kidney Research foundation will lead the session, followed by a Q&A and free health consultation.

We warmly invite all the students, teaching and non-teaching staff to actively participate in this free awareness programme and make the most of this valuable opportunity.

Your participation can make a difference. Let us come together for a healthier tomorrow!
