Our aim is to give all students the opportunity to be involved in culturally enriching activities. To give those students with special talents a chance to extend themselves and to grow there are of expertise. To expand our students appreciation of cultural activities.

Being Thankful and expressing our gratitude is an important of being happy in life. Finding proper way to thank others for their generosity or reminding ourselves just how we have to thankful for can be rewarding year around on this occasion I would like to thank few people who are supported this cultural team for the successful journey. I express my sincere gratitude to our secretary, Principal, Vice Principal for their encouragement and also heads of various departments for motivating and send their department students to participate in Cultural activities. My sincere thanks to Office people for arranging necessary things for students while they come for practice during Saturday and Sunday. A special thanks to our management recently sanctioned the travelling allowance for the cultural students. Finally I would like to thank our students who taken lead for the year 2017-2018

All this success would not be happen because of these students. Looking same kind of support from all the ends for the upcoming years. With this few words I keep and end for my report.

Thank you
